25X1 Heath on the west bank of the Elbe River at the end of September. This  
conclusion, to some extent, was confirmed [redacted]  
25X1 that elements of the Third Shock Army and the 6th Arty Div were unloaded  
in Wahlwinkel on 27 and 29 September. He also reported the construction  
25X1 of a bridge south of Bittkau on 28 September 1952. [redacted]  
25X1 It is possible that the 1952 fall maneuvers of the Third Shock Army was  
broken down into several individual field exercises. The present information  
25X1 on Wahlwinkel confirms the statements in the reference report. [redacted]

[redacted] Comment. The units loaded in Wolmirstedt were presumably elements of  
the 10th Gds Tank Div. Another source reported the unloading in Doeberitz  
of a shipment of the division from Wolmirstedt on the same day.
